

Thank you to “Ask the River”

Thank you to the artists of [Ask the River](#) - Elizabeth Billings, Evie Lovett, and Andrea Wasserman – for inviting us to transform cyanotype paper and fabric from their creative projects into RiverGrams. We are honored to carry forward their ongoing “community-wide public art and placemaking project empowering us to reconnect with the Connecticut River and the water that flows through it, intertwining people and place.”
Carol Berner & Margaret Babbott, River of Words Regional Coordinators
