

Sample Poems by 2nd Graders: Walking to the Vernal Pool in Sawmill Hills

At the vernal pool
I see a blue spotted salamander
I hear loud birds
I smell fresh air fresh green leaves
I feel smushy moss
I see scaly pillbugs
I see some leafy plants
I see some bugs crawling
I see some water moving
At the vernal pool.
~ Hannah

The Spider

I lift up a rock
Put him in a box
And look at his eight legs and scaly skin.
He tips over in his box...
AND STAYS ON
TOP!
He's got no gravity!
Wow that spider's cool!
~ Taylor

Jumpy Mud

I feel
Jumpy mud
At the stream
It feels like a
Little trampoline
Down under the ground
We all take a turn
Jumping.

The Birds

I hear a bird going
Chirp chirp in the woods.
I copied the bird that
Was going chirp chirp.
I went chirp chirp
With the bird.
