

Dam Removal and Rehabilitation Tour

Tuesday, August 3, 8:30 AM to 12:00 PM

Join Marie Caduto from the Vermont Department of Environmental Conservation and Ron Rhodes from the Connecticut River Conservancy to learn more about options for removing or restoring aging dams. Sponsored by the Windham Conservation District.

We'll visit four sites around Windham County where dams have been restored or removed. Participants will have the opportunity to ask questions about the process involved for both types of projects.

Approx. 20 Miles of Driving or Carpooling Required
